Product Overview

Bohemian *crafted* since 1548

SEPTEMBER 2022

# Crystals *from the* Heart

*of*  
Europe

Nestled between the Jizera and Lusatian mountain ranges in northern Czech Republic are the rolling hills and clear blue skies of Bohemia. It was here, in Crystal Valley, where nearly five centuries ago the first kilns began to illuminate the glassmaking ateliers and workshops scattered across the region, eventually giving birth to an entire industry that has all but defined Bohemia's cultural heritage.

Founded upon the ideals of quality, durability and innovation, Preciosa has since 1948 introduced the world to the truly captivating and timeless quality of authentically crafted Bohemian crystal.

# Shine Responsibly!

Preciosa products that carry our Lead-Free Brilliance symbol contain less than 0.009% lead (< 90 ppm) and are made according to the highest environmental and sustainable manufacturing practices. These premium products meet the most stringent industry standards and international safety certifications.

## Quality Guarantee

Made with the finest locally sourced raw ingredients, our crystals are unparalleled in both quality and shine. Every stone is carefully crafted using centuries-old glassmaking techniques and natural Bohemian sand, famously rich in silica dioxide, which gives the stones their signature shine.

Preciosa strictly adheres to a comprehensive program of environmentally responsible business practices and manufacturing procedures that comply with all major EU standards and worldwide industry legislation.

All Preciosa products are 100% made in the Czech Republic.

## Certifications

Preciosa's premium quality MAXIMA line meets the following certifications:

### ASTM F2923\*

Standard Specification for Consumer Product Safety for Children's Jewelry

### ASTM F963\*

Standard Consumer Safety Specification for Toy Safety

### CPSC 16 CFR 1303

Lead in a Surface Coating

### CPSIA\*

Consumer Product Safety Improvement Act

### SAFETY OF TOYS

Heavy metal migration limits according to Directive 2009/48/EC

### OEKO-TEX STANDARD 100

Product Class II

### REACH

Registration, Evaluation, Authorization and Restriction of Chemical Substances

### ROHS\*\*

Restriction on Use of Hazardous Substances

\* Requirements are fully met by products carrying our lead-free brilliance symbol.

\*\* Except Citrine, Coral, Garnet, Hyacinth, Light Siam, Olivine, Siam and Sun

# For Nails

Developed with input from some of America's leading nail technicians, Preciosa's Faerie family for nails has been thoughtfully engineered to maximize impact, coverage and durability. Both Crystal Faerie and Regal Faerie have undergone rigorous testing to ensure long-lasting, textured shine that is easy to apply and remove. Like all Preciosa products, this assortment is made from only the highest quality raw materials and is 100% produced in the Czech Republic.

# Crystal Faerie

Preciosa Crystal Faerie is composed of tiny crystal balls and double-cones, each sized, shaped and polished to shimmering perfection. Preciosa double-cones provide the largest surface area and account for the highest composition ratio of similar products for nails, which means that the colors are truer, the shine is brighter, and the overall impact is higher.

## **Preciosa Components**

A Member of the Preciosa Group

A global leader in luxury goods manufactured from crystal, the Preciosa Group stands upon centuries of glassmaking tradition and innovation. From the world's smallest faceted flatback stone to our cutting-edge, bespoke lighting installations, Preciosa looks to our own unique heritage to draw inspiration for the future of responsibly crafted Bohemian crystal. Together, the Group operates regional offices across Europe, North America and Asia and melts 40 tons of glass every day.
